MEMORANDUM FOR: Deputy Director for Support

SUBJECT : Briefing for Presidential Interchange  
Executives

1. Mr. Joseph McCullen called yesterday and would like the Presidential Interchange Executives to be received again, as they were in March. The Brookings format was apparently quite satisfactory to him, plus the fact that the Director kindly greeted the group.

2. This time the group will be between fifty and sixty in strength, Mr. McCullen believes, and he would hope the session might start at about 2:00 p.m. He suggested the alternate dates of Thursday, 28 September, and Friday, 6 October. Could you check whether these would be convenient from the various points of view, of the USIB Conference Room, etc., and advise me so I can call Mr. McCullen.

1. Mr. McCullen's group can be accommodated on 6 October 1972 from about 1400-1600 hours. While the USIB Conference Room will not be available, Room 1A-07 will be. Actually, the latter classroom is better suited to the size of this group.

2. OTR officer [ ] (extension 2326) will be the Course Coordinator and, as he did in March, can contact Mr. McCullen directly to make specific arrangements. Please let me know if this meets with your approval so we can continue with plans for a successful briefing.
